Granite Bay Energy
The power is yours.

- 6:00—2:00 Electronic Waste and Clean Styrofoam Collection in parking lot:
Sponsored by Onsite Electronics Recycling
- 7:00—7:45 Exhibits open
- 8:00 Welcome by San Joaquin County Supervisor Leroy Ornellas
- 8:10 Blain Bibb, Green Team San Joaquin Chair—Introduction of agenda
- 8:15—9:45 Panel One—**Clean Energy Collaboration for Business, Education and Government:**
Mike Dozier, Lead Executive—San Joaquin Valley Partnership—*Moderator*
DeeDee D’Adamo, Senior Policy Advisor—Office of Congressman Dennis Cardoza
Paul Johnson, Executive Director—San Joaquin Valley Clean Energy Organization
Jim Genes, Special Assistant to Administrative Vice Chancellor—UC Merced
Sam Geil, Owner—Geil Enterprises, Inc.

As a regional leader, the California Partnership for the San Joaquin Valley (Partnership) hosts a panel sharply focused on the collaboration between business and government for clean energy solutions. This interactive panel showcases the efforts in our region, how the State of California is preparing for industry expansions, and an international perspective. Don't miss an open dialogue opportunity rarely available to our local businesses.

- 9:45—10:00 Coffee Break / Visit Exhibits
- 10:00—11:30 Panel Two—**Bottom Line Benefits of Being a Leader on Climate Change**
Susan Eggman, Member—Stockton City Council—*Moderator*
Judy Corbett, Executive Director—Local Government Commission
Trish Kelly, Principal—Applied Development Economics
Lisa Mortenson, CEO—Community Fuels
Joseph Oldham, Sustainability Manager—City of Fresno

Panelists will provide an overview of state climate change policy, discuss why we are heading in this direction and the positive impacts this policy leadership can have on jurisdictions and businesses in California. Panelists will also touch on opportunities for private and public sectors to work together on local implementation of state legislation.

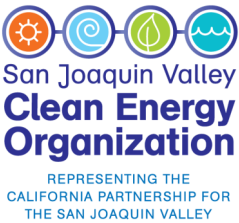

- 11:30—12:15 Exhibits Open / Tours of Hilton Stockton’s Green Conference Room
- 12:15 Stockton Chamber President Rick Goucher Introduces Keynote Speaker

Keynote Lunch Address—Panama Bartholomy, Deputy Director—California Energy Commission
Panama is the Deputy Director for Energy Efficiency and Renewable Energy at the California Energy Commission. He serves on the City of Sacramento’s Planning Commission and the County of Sacramento’s Environmental Commission. He is a board member on and President of the Northern California Chapter of the United States Green Building Council. Panama previously worked for the California Conservation Corps on vocational environmental education and the Division of the State Architect where he ran the Sustainable Schools Program. He is a graduate of Humboldt State University with a Bachelors of Science degree in Restorative Development and a Masters of Science in Community Development from UC Davis.
